ANZTB Certified Tester List

Successful candidates who have sat an ISTQB® exam are eligible to have their name appear on the ANZTB website's Certified Testers List.

This exam must have either been taken with

ANZTB (Australia & New Zealand Testing Board) as the exam provider OR

iSQI (International Software Quality Institute) as the exam provider on/after 1st August 2020.

In order for us to deal with your request efficiently, please complete all of the following fields and please scan/email this form back to info@anztb.org for processing.

I consent to my name and certification/s being published on the ANZTB website
