ISTQB Testers in ANZTB region

Recognition with the ANZTB?

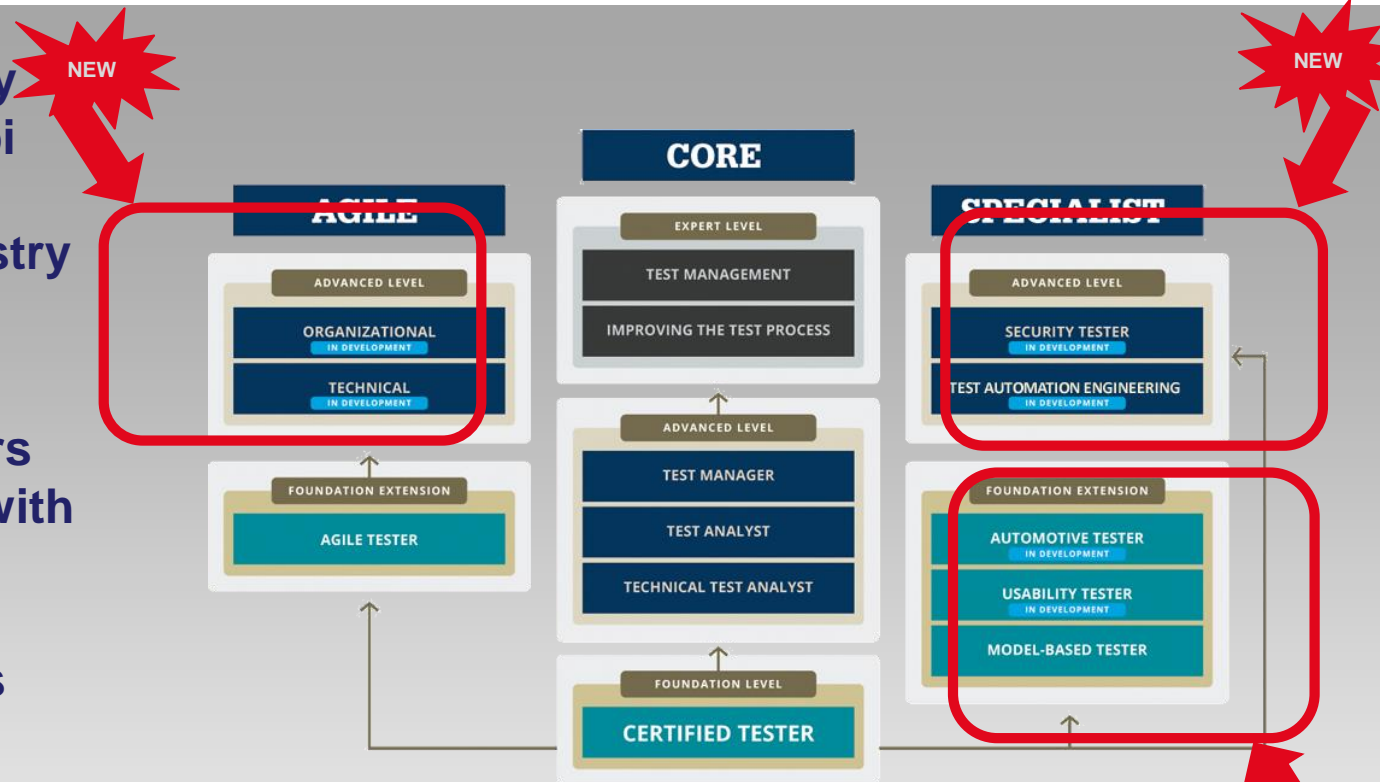

- Automatic inclusion on the ANZTB certified testers list
- <http://anztb.org/certifiedtesters.php>
- Employers can check qualification levels

A screenshot of the ANZTB website. The header includes the ANZTB logo (ANZ TESTING BOARD) on the left and the ISTQB logo (International Software Testing Qualifications Board) on the right. A navigation menu below the header contains links for HOME, ABOUT, CERTIFICATION, ACCREDITATION, CALENDAR, EVENTS, and CONTACT. The main content area features a large image of the Earth with Australia highlighted in blue. Below this image is a sidebar with links: Downloads, Accredited training providers, Book an exam, Certified Testers List, and FAQs. The main content area is titled "ISTQB Certified Testers List" and contains the following text: "The lists below show the names of ISTQB Certified Software Testers in Australia and New Zealand. These lists are updated monthly." Below this text is a search form with a text input field labeled "Name:" and a "Search" button. The text below the search form reads: "To search for a certified tester, enter the full name or just the surname. For privacy reasons no further information will be provided."

ISTQB® are constantly developing new syllabi and updating existing syllabi based on industry requirements.

ANZTB board members are actively involved with the ISTQB® syllabi development as co-authors and reviewers
