PERFORMANCE TESTING
MY JOURNEY
Zarko Djordjevic

ABOUT ME & MY BACKGROUND

IN SOFTWARE

Developing Apps
&
Websites

IN TESTING

Making sure those 'Apps' &
'Websites' Worked.

MY GOAL AFTER GRADUATION

FIND A GOOD JOB

Not only a job but a career

WHY TESTING?

... BECAUSE A TESTING COMPANY REPLIED TO MY APPLICATION

Doing some research on testing.

WHY PERFORMANCE TESTING?

I LIKE TO BREAK THINGS!

Overlooked quality assurance method

A NEW WAY OF PRODUCING A PRODUCT...
A NEW WAY OF TESTING

MODERN PERFORMANCE TESTING

- What most people think 'Performance Testing' is & when it's 'done'.
- Performance testing in an agile environment - Continuous integration.

WHAT I HAD TO LEARN... QUICKLY

MANAGING EXPECTATIONS OF STAKEHOLDERS

- Hardest thing I had to learn? - The pressure of deadlines.
- Easiest thing I had to learn? - People are willing to work together to 'get things done'.

WILLINGNESS TO LEARN

ABILITY TO ADAPT

WHAT I THINK MAKES A GOOD TESTER

- Utilizing the rapid growth of new technologies making our life easier
- Effort to learn these new technologies

CONFIDENCE IN MYSELF AND MY RESULTS

WHAT DO I NEED TO LEARN TO IMPROVE?

- The ability to go anywhere and have the confidence to solve majority of any problems that road block me

MY EVENTUAL GOAL

NEVER STAGNATING

- Getting to a point were I can get into a management role
- Learning the complete potential of new tools

CONSIDERING A CAREER IN PERFORMANCE?

SOME TIPS

- DON'T GET INTIMIDATED BY THE TOOLS
- IT GET'S EASIER... SORTER
- UNDERSTAND HOW A WEB/APPLICATION TALKS TO A 'SERVER'
